SOFEMA AVIATION

Individual Freedom Pass

Unlimited Learning. Total Flexibility. Real Career Growth.Real Career Growth.

What Is the Freedom Pass?

The Freedom Pass is an exclusive, individual subscription program designed for professionals who are serious about developing their technical and regulatory competence in the aviation secor.

It serves as an all-access pass providing entry to over **525+ courses, packages, and diplomas** across the entire **Sofema Aviation** portfolio, empowering you to learn at your own pace.

525+ Courses & Diplomas

EASA-compliant aviation training courses trusted by airlines and MROs worldwide

The Benefits of the Freedom Pass

Unlimited Learning	Take as many courses as you want from the full regulatory & vocational training portfolio with no restrictions or caps.
Outstanding Value	Access a massive training catalog (worth thousands of Euros) for one simple, flat-rate fee.
Career Advancement	Stay hyper-competitive in the aviation industry, build a demonstrable track record of competence, and effortlessly qualify for promotion or management roles.
Total Flexibility	Study on your schedule, at your own pace, from anywhere in the world.
Personal Reference Library	Build a lifetime technical reference collection with complimentary soft copies of your training materials (up to 5 days of training materials included annually).
