Learning Path Diplomas

Your Fast Track to Recognized Regulatory Expertise & Career Growth

Compliance requirements move fast, and so should your career. Sofema Aviation Academy's Learning Path Diplomas are thoughtfully curated academic pathways engineered to bridge the aviation competence gap. By combining multiple targeted courses into an organized, role-centric curriculum, these programs provide a structured route to mastering complex EASA and international aviation frameworks.

Why Industry Leaders Choose Sofema Aviation Academy Diplomas

Cost Savings

Access bundled courses at a fraction of the cost of buying them individually — saving hundreds of Euros.

15-Month Flexibility

Study anytime, anywhere, at your own pace, with a generous 15-month window to fit your schedule.

Proof of Competence

Every module has its own online exam and Certificate of Competence, building toward your Consolidated Diploma.

Beyond Compliance

Developed by experienced aviation consultants, blending regulatory knowledge with real workplace application.

Explore Outstanding Diploma Pathways

Spread the Investment with Deferred Payments

Maximizing your credentials shouldn't strain your cash flow. Sofema Aviation Academy provides unmatched financial flexibility with an optional 3-Month Deferred Payment Plan.

MONTH 1	Settle your first installment to instantly open your first batch of courses.
MONTH 5	Clear the second installment to open the middle curriculum.
MONTH 10	Process the final balance to unlock your concluding modules and complete your master Diploma.

Next Steps: How to Enrol

1. **Browse Your Target Path** — Visit www.sofemaaviation.com to select your role-based program.
2. **Submit Registration** — Register directly on our self-paced Learning Management System (LMS) or email our Customer Solutions Team.
3. **Download Your Certificate** — Secure your soft copies immediately upon exam completion, or order hard-copy versions directly to your office.
